

Trinity Christian Academy Training Center
A Ministry of Trinity Chapel for Family Oriented Home Education

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works. -- II Timothy 3:16-17

Trinity Christian Academy Training Center was established to teach, train, and equip children to fulfill the purposes of God. The training center's goal is to assist home schooling parents by providing classes that will sharpen children's God-given gifts and talents.

The center offers a wide range of classes for students from pre-school through high school. Tuition is \$45.00 per family per semester. Individual classes may require additional charges due to cost of materials.

Parents are required to participate as teachers, helpers or nursery workers while their children are in classes. For more information on this, please see TCA CRS Requirements.
