

## TCA Co-Op Requirements

Parents must volunteer hours during co op as a requirement for participation. Although we would like to give each family a free hour, it is not guaranteed. Your volunteer requirement can be fulfilled by teaching or assisting a class or by doing set-up/clean up duty.

At least one of the hours the parent works must be in nursery and/or preschool respectively if he/she has a child enrolled in nursery and/or preschool.

Each parent will be ready to serve as a substitute or assist with setup and clean up on an as-needed basis.

Each family will pay promptly to the Training Academy treasurer the appropriate fees for enrollment prior to the start of each semester.

Each family should do their best to arrive promptly and ensure that the children are prepared for classes.

Each family is strongly encouraged to participate in at least 2 major fundraisers during the school year, as these fundraisers are designed to benefit our children's experiences at co-op.
