**Worker Application**

**Christians who are expected to be responsible and have authority over children in the church's Training Center are required to be examples in faith and conduct.** To maintain high standards of moral, ethical and spiritual character is one of the best ways we know to present Christ to the community.

Therefore, the following guidelines will be **required** of any person teaching in our training center:

2. Be a witness for Christ and show His love to the children that are in your care.
3. Live a separated Christian life.
4. Be faithful to your assigned position.
5. Give two weeks notice if/when resigning from your position.
6. Complete application for our files prior to teaching or having authority over children.
7. Agree to bring any problems, complaints or grievance to the Principal for discussion and resolution.
8. Support the goals of Trinity Christian Academy by your actions, efforts, conduct and speech.
